Overview

This large gusseted bag is made from bleached glassine paper and designed for high-capacity packaging. It features grease resistance and a smooth, glossy, translucent finish — ideal for baked goods, caramel popcorn, or generous portions of food in Asian takeout and delivery settings.

Features

- Finish: Glossy and smooth texture
- Grease Resistant: Acts as a strong barrier to oil
- Transparent: Allows easy identification of contents
- Biodegradable: Compostable under proper conditions

Benefits

- Capacity: Large size and gusset design allow for packaging of bulkier items
- Presentation: Glossy and semi-clear material enhances product display
- Product Protection: Grease resistance ensures cleanliness
- Cross-Industry Use: Offers practical value in food service and retail

Applications

Food Service and Retail: Excellent for holding larger quantities of popcorn, cookies, Chinese noodles, or snack mixes. Perfect for delis, bakeries, or gourmet shops.
