Overview

This bag is made from bleached glassine paper. Offering grease resistance, transparency, and gloss, it's ideal for packaging food portions and industrial parts where both visibility and product protection are essential.

Features

- Finish: Glossy, smooth surface
- Grease Resistant: Protects packaging and contents from oil and grease transfer
- Transparent: Offers visibility for easy content identification
- Biodegradable: Compostable under proper conditions

Benefits

- Clean & Presentable: Glossy and semi-transparent surface enhances product
- Grease Barrier: Keeps packaging clean and suitable for oily foods
- Multi-Use Capability: Designed for flexible use across food and retail markets

Applications

Food Service and Retail: Ideal for packaging cookies, Chinese noodles, baked goods. Clean and attractive display for foods.
