| Ti / Hi                     | 15L / 8H |
| Cases / Pallet              | 120      |

## Overview

Designed to keep silverware and other dining essentials sanitary, while supporting sustainability. Helps streamline operations, saving time and reducing labor costs in your service prepping.

## Features

- Labor-Saving Design: Cuts down on prep time and reduces labor costs
- PCW Content: Made with recycled materials for eco-conscious businesses
- Sanitary Solution: Keeps silverware protected from contamination
- Simple and Functional: Easy to use and store, with a clean appearance

## Benefits

- Efficiency Boost: Streamlines the process of prepping place settings
- Cost Reduction: Lowers labor costs compared to wrapping with bands
- Sustainability: Reduce environmental footprint using recycled materials
- Supports Green Branding: Ideal for restaurants that promote eco-friendly

## Applications

Ideal for establishments looking to combine sanitation with sustainable practices, great for brands looking for earth-friendly solutions for eateries.
